

Dear Sirs!

We propose You to establish business relations for purchasing Ukrainian pipes. We have been dealing with production and marketing of pipe & tube products since 1992 as the Nikopol Yuzhnotrubby Works' Trade Office. And now we represent interests of the largest Ukrainian, Byelorussian & Russian Plants-Manufacturers. Namely we offer to deliver:

1. Seamless hot-rolled steel pipes; standards: GOST 8731-74/8732-78, EN 10025/10210; DIN 1629/17100/17121/2440/2442; API 5L; ASTM A53/ A106; NFA 49-112; sizes (mm): from D 32.0 x 3.0-3.5 up to D 377.0 x 9.0-60.0;
2. Electric welded pipes for water & gas systems; GOST 10705-80/10704-91/3262-75; DIN EN 10219/10255, sizes (mm): from D 21.3 x 1.5-3.2 up to D 219.1 x 2.0-12.5;
3. ERW line pipes; standards: GOST 10706/20295; EN 10208-2; DIN 1626/17172/2458; API 5L; ASTM A 252; sizes (mm): from D 159.0 x 4.0-6.0 up to D 1422.0 x 11.0-17.5;
4. Seamless high-temperature steel pipes for boilers, TU 14-3-460-75, TU 14-3-190-82, ASTM A 106-95, DIN 17175-79, EN 10216-2; Steel Grades: 20K; 12H1MF; St. 45.8; Grade B; St. P265GH-TC1; sizes (mm): from D 10.0 x 2.0-2.5 up to D 377.0 x 13.0-56.0;
5. Casing tubes with threaded joints and coupled per GOST 632-80/633-80, Strength group D, E, L, M, sizes (mm): from D 146.1 x 7.7-10.7 up to D 323.9 x 9.5-12.4;
- 5a. Casing tubes with threaded joints and coupled per API-5 CT; Grade J-55, K-55, N-80, P-110; sizes (mm): from D 73.0 (2 7/8") x 5.51 up to D 339.7 (13 3/8") x 8.38-13.06;
6. Tubing per GOST 633-80, Types: non upset, externally upset ends, non upset high-hermetic thread; Strength group D, K, E; sizes (mm): from D 60.0 x 5.0 up to D 89.0 x 6.5-8.0;
- 6a. Tubing per API-5 CT, types: non upset, externally upset ends, non upset high-hermetic thread; Strength group D, K, E; sizes (mm): from D 60.0 x 5.0 up to D 89.0 x 6.5-8.0;
7. Casing and coring tubes for geology-exploring drilling and nipples to them, GOST 6238-77, TU 14-3-1918-93, sizes (mm): from D 73.0 x 5.0 up to D 146.0 x 5.0;
8. Exploration drilling pipes and their couplings, GOST 7909-56, TU 14-3-1919-93; Strength group: D, K, E; sizes (mm): from D 42.0 x 5.5 (coupling D 57.0) up to D 63.5 x 6.0 (coupling D 83.0);
9. Seamless steel tubes for petroleum processing and petrochemical industry, GOST 550-75, sizes (mm): from D 57.0 x 4.0-5.0 up to D 114.0 x 6.0;

10. Seamless hot-rolled steel pipes for gas lines of gas-lift systems, TU 14-3-1128-82, Steel Grades: 20, 09G2S; sizes (mm): from D 57.0 x 3.5-6.0 up to D 114.0 x 4.5-6.0. Also we deliver a wide assortment of pipe & tube products of different Standards and Steel Grades, namely: seamless cold finished steel pipes (from D 5 mm up to D 90 mm); profile pipes (seamless & ERW); stainless austenitic steel pipes; bearing tubes; pipes for shipbuilding & oil-refining industry; cracking tubes; and many others.

Please inform us Your requirements for various pipes & metal, and we shall answer You in detail.

Best Regards,

If our offer meets your requirements you can feel free to contact us :
